

Silver Birch Class

Summer Term- 1

Each week pick one maths questions (blue) and one English question (green)

How would you cope without television or an iPad? Try it for one day. Record what you did instead.	How was leisure and entertainment different for rich and poor children 100 years ago?	What do you know about Queen Victoria? Research some interesting facts.	What was life like for children 100 years ago? Research some interesting facts.
Can you record how long you spend watching television in a week, in hours and minutes?	Can you make a timeline of a day in the life of a child 100 years ago using analogue time for 100 years and digital time for today?	If you were facing east, how many degrees would you turn through to face: South, North and West?	Choose a pair of numbers and add them: 16, 26, 34, 8, 24, 60, 56, 5 Use number line or expanded column method.
What do you think life was like 100 years ago around the River Thames?	Create a timeline of events from 100 years ago until now.	Write a newspaper report about an important event that happened 100 years ago.	Write a non-chronological report about life in Britain 100 years ago.
Round these numbers to the nearest 100: 537 493 97 876 1631	Multiply the following: $23 \times 3 =$ $24 \times 5 =$ $16 \times 7 =$ $35 \times 4 =$ Use partitioning and recombining or grid method.	A T.V programme ends at 6.25. It lasted 45 minutes. What time did the T.V programme start?	Subtract the following: $89 - 45 =$ $98 - 59 =$ $127 - 53 =$ $236 - 78 =$ Use a number line.
